profile

Dynamic Social Media Executive with over 2 years of experience in viral ideation and digital strategy. I specialize in identifying TikTok and Reel trends before they peak, allowing brands to capture maximum reach. With a technical background in Computer Science, I bridge the gap between creative content and algorithmic optimization to turn views into measurable business growth.

Experience

Social Media & Content Specialist Agency & Freelance Operations

- Lead content strategy for viral growth across TikTok, Reels, and YouTube Shorts.
- Manage multi-brand calendars and daily publishing to ensure consistent engagement.
- Execute video editing and graphic design focused on maximizing viewer retention.
- Analyze performance data to optimize hooks and increase organic reach.
