PROFILE

Versatile Digital Marketing Specialist and Developer with 3 years of experience in providing end-to-end digital solutions. Expert in driving brand growth through Meta Ads, Local SEO, and custom Web Development. Proven ability to optimize Google Business Profiles for maximum visibility and develop secure web systems like Google OAuth. Dedicated to delivering high-quality results as an independent consultant for businesses looking to scale their online presence

WORK EXPERIENCE

PROFESSIONAL EXPERIENCE

Independent Digital Consultant & Developer

- Managing end-to-end Meta Ads campaigns for clients, focusing on reducing cost-per-lead and increasing conversion rates.
- Optimizing Google Business Profiles for local service providers, ensuring 100% profile completion and improved local search rankings.
- Developing and maintaining custom web applications, including the successful integration of Google Login (OAuth) for secure user access.
- Providing Digital Transformation services to local businesses by setting up WhatsApp Catalogs and SEO-friendly business descriptions.

Web Developer & Marketing Associate

Contract / Projects | Jan 2023 – April 2024

- Built responsive, mobile-first websites using modern web technologies, ensuring fast performance and user-friendly UI.
- Conducted in-depth Keyword Research and implemented On Page SEO strategies to improve organic website traffic.
- Designed social media creative assets and managed content calendars for diverse platforms including Instagram and TikTok
